# I have an idea Here, you take it

Some ITPers are full of great ideas that they don't have the time or skills to make.

Other ITPers are freakin' burnt out when a project is due, or have just hit a creative road-block.

Let's work together on this. Take an idea. Leave an idea.

Make inspired work.

The background is a solid purple color. It is decorated with various abstract geometric shapes: thin orange lines of different lengths and orientations; small teal squares; small orange circles; small purple circles; and small purple diamonds. Some shapes are solid, while others are outlines. They are scattered across the canvas, creating a dynamic and modern aesthetic.
